### **REMARKS**

#### ***Election***

In response to the telephone restriction requirement, applicants have elected above the invention of Group I for prosecution in this application, and have provisionally elected the species of the compound of Example 3, upon which it is understood that examination will commence.

#### ***Claim Amendments***

Claim 1 has been amended to conform its scope to the elected subject matter wherein Ring A is piperazinyl. Claim 3 has been amended as being redundant, in view of the election and amendment to claim 1. Claims 4-7 and 9-10 have been amended so as to correct improper multiple dependencies in the original claims. Claims 11 and 12 have been cancelled as being in a "use" form not generally accepted in U.S. practice.

New method of treatment claims 13-15 have been added. Support for these claims is found in original claim 12 and in the specification, e.g., at page 28, lines 16-30

#### ***Conclusion***

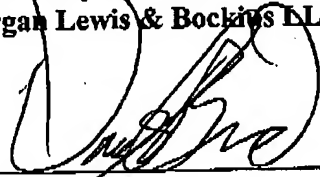

All claims are now believed to be conformed to the elected invention and in proper format for U.S. practice. Accordingly, an early and favorable action on the merits is respectfully requested.

**EXCEPT** for issue fees payable under 37 C.F.R. § 1.18, the Director is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. §§ 1.16 and 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit
